

COURAGE & SACRIFICE | 5TH ANNUAL CHARITABLE GOLF OUTING

Courage & Sacrifice is a private, non-profit organization, with over 85% of all donations going directly to injured heroes programs. Funds are used to support existing national programs for medical and rehabilitation expenses, counseling and job re-training.

In addition, Courage and Sacrifice supports specialized, targeted programs to address individual needs of local wounded veterans such as handicap access home renovation, and family care programs. Courage and Sacrifice strives to make a tangible difference in the quality of life for our wounded heroes and demonstrate our deep gratitude for the sacrifice they and their families have made for us.
